

Edit inventory for Products with Option Combinations

To edit a product which you've given Option Combinations in your eShop 4.0 website, follow the below.

Method 1 (quickest):

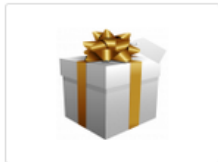

Navigate to Products > Products. Search for your product in the search bar, and then click the Edit link in the Quantity column to go straight into editing the inventory for each of your option combinations (eg, small red, small green, etc).

Products								Save
<input type="checkbox"/>	Image	Name ▲ / CODE	Price (\$)	List price (\$)	Quantity	Status		
<input type="checkbox"/>		Example Product - Basic Item CODE	20.00	0.00	1	Active ▾		
<input type="checkbox"/>		Example Product - Colour Options CODE	25.00	0.00	Edit	Active ▾		
<input type="checkbox"/>		Example Product - Size & Colour Options CODE	25.00	0.00	Edit	Active ▾		
<input type="checkbox"/>		Example Product - Size Options CODE	25.00	0.00	Edit	Active ▾		

Method 2 (If you're already editing the product):

In the General tab, scroll down until you see the Pricing / Inventory section. Where you see 'In Stock: Edit' click the Edit link to go straight to editing the inventory for each of your option combinations (eg, small red, small green, etc).

Images: Thumbnails will be generated from detailed images automatically, but you can also [upload them manually](#)
