

Displaying bestsellers on the 'Home' page

1. Log in to your administration panel, open the **Administration** tab and click on the **Addons** link.
2. Enable the **Bestsellers** addon (change its status to **Active** in the select box on the right).
3. Open the **Design** tab and click on the **Blocks** link.
4. Click on the **Home page** link at the top of the page.
5. Click on the **Add block** button. In the opened window:
 1. Enter the block name (e.g. *Bestsellers*).
 2. Select **Products** in the **Block content** select box.
 3. Select **Bestsellers** in the **Filling** select box.
 4. Select the desired position in the **Group** select box.
 5. Select the desired appearance type (e.g. **Small items**) in the **Appearance type** select box.
 6. Select **blocks/wrappers/sidebox_general.tpl** in the **Wrapper** select box.
 7. Click on the **Create** button.

New block:

General

Name: * **Bestsellers**

Block content: Products

Specific settings

Filling: Bestsellers

Specific settings

Group: Left sidebox

Appearance type: Small items

Specific settings

Wrapper: blocks/wrappers/sidebox_general.tpl

Block width (2):

percent

Create

 or [cancel](#)

NOTE: After the block is created or changed, make sure it is displayed correctly. Sometimes not all wrappers are suitable for the blocks.
